Indulge Yourself

Sicily's Avola region produces bold, strong, rich wines on volcanic soil and is famed for its light fresh airy appeal. The Avola range of doors could be said to mirror this assertion, the colours complimenting each other yet independently cover the spectrum of hues from the rich red brown of Avola Truffle, light washed pumice of the Avola Grey, the sparkling pinks of Avola Champagne to the strength of light irradiated by Avola White. Individually or integrated, the colour palette affords the opportunity to create truly stunning kitchens.
